

1-3

---

---

---

---

---

---

---

---

12

- Brainstorm:
- Come up with 6 ways in which the US has ethnic diversity.

---

---

---

---

---

---

---

---

13

- Notes→
- First European settlers were the Spanish in 1500s
- Their territories were in Florida, California, and the Southwest
- In 1600s the French began to settle in Canada and around Mississippi River
- English immigrants began to settle along east coast

---

---

---

---

---

---

---

---

13

- From 1860-1890 10 million immigrated to US from Northern Europe
- From 1890-1924 22 million immigrated from Eastern Europe
- Today, Latin America accounts for largest numbers
- Between 1608-1808, 500,000 Africans were brought as slaves
  
- *At bottom of sheet, number 1-3 (video)*
- Where were most Africans forced to go as slaves?
- What is the middle passage?
- How are slaves treated once they arrive to the Americas?

---

---

---

---

---

---

---

---

14

- Cross out the instructions for “sum it up”
- On each line, write the following dates:
- 1500s/1600s:
- 1700s/1800s:
- Early 1900s:
- Last 50 years:

---

---

---

---

---

---

---

---

14

- Cross out instructions for ‘connecting’
- Notes→
- Many in US today don’t identify with just one ethnic group
- (2015) 321 million
- Whites: 61.6 %
- African Americans: 13.3
- Asian: 5.6
- Hispanic: 17.6
- Native Americans: 1.2

---

---

---

---

---

---

---

---

15

- Cross out 'scanning' instructions
- Notes→
- Between 1830-1930, nation's population grew mainly because of the birthrate
- In the mid-1800s, the US saw migrations from rural areas to urban areas
- Many Americans found work in factories instead of working on farms

---

---

---

---

---

---

---

---

16

- Cross out instructions for 'sum it up'
- Notes→
- Many Americans have moved to find work in the service industries
- After the Civil War, African Americans moved North out of the South
- The South is now the most populous region
- The West is the fastest growing region
- The average age of citizens is now older

---

---

---

---

---

---

---

---

16

- Cross out the 'questioning' instructions
- Notes→
- 1. Common civic and political heritage
- 2. Found in Declaration, Constitution, and Bill of Rights
- 3. Americans have common ideals of individual rights
- 4. Americans believe in popular sovereignty (government by the consent of the governed)
- 5. Belief in representative government and voting as a duty
- 6. Majority rule and rule of law

---

---

---

---

---

---

---

---

16

- 7. Americans are also unified by the English language
- 8. We demonstrate patriotism by flying flags, national anthem, and the pledge
- 9. We know to follow the laws and engage in civic life
- 10. Americans unite during times of struggle
- 11. After 9/11, Americans responded by joining together to help people in need and to repair
